"I am so excited to release Arkadion for the ColecoVision," said William "Milli" Hicks. "2022 is going to be an awesome year for 8 Bit Milli Games and the home brew scene. We have many new titles in the works such as Virix and Joe the Eskimo. Not only will we be supporting the ColecoVision but we will be expanding to offer versions of our games for other systems such as the Commodore 64 and Mattel Aquarius."
