GOOBER

THE ALIEN

The Story

Goober the Alien is the most charming alien in all of Goob. His planet is under attack by the Planet of Sentient Asteroids. It is up to Goober to dodge all these asteroids, which makes them fall to their demise.

Can you help Goober save Goob, or is Goob toast???

How To Start

Upon inserting the cartridge or loading your digital ROM, the game will display a screen looking like this. Use the fire button to start

Controls

Once the game starts, you will instantly notice green asteroids falling down the screen. Use the joystick and/or paddle controller to dodge these asteroids. Every 4 asteroids dodged, they get much faster. There are 3 lines to represent your lives
